ENGL 353
Wikipedia Editing Project
Fall 2022

Assignment directions and materials are all on [this Wikipedia page.](#)

Follow all directions and due dates there for the Wikipedia materials.

Link to page listing Wikipedia articles in need of copyediting is [here.](#)

Our goals -
find and edit at least five articles marked in need of editing for grammar, spelling, style, etc. Complete these by October 25 (deadline - October 27).

Find and edit one article in need of more research / fact-checking. Complete this by November 3 (deadline - November 6).

By November 1 (Deadline - November 8) write a brief reflection on the project that includes answers to the following:

- How often would you say you consult / use Wikipedia on a weekly basis? What sort of information do you usually seek there?
- What did you learn about Wikipedia as a result of this assignment?
- About how much time did you spend on this project? Please be honest, I will not grade down or up based on your answer.
- What did you think of the Wikipedia tutorials and lessons? What suggestions for change might you make?
- What did you like best about this project, and what did you like least? Why? What might you change about the way the assignment was presented?
- Point to the Wikipedia editing work you are most happy with, and explain why.
- If you were grading yourself, what grade would you give your work on this assignment, and why?
- Include anything else you want me to know about this project.
